PRESS RELEASE

Daily Terawih Prayers During Ramadan at Tradewinds Hotels in Klang Valley

Kuala Lumpur, 17 June 2015: Tradewinds Corporation Berhad (Tradewinds Corp), a diversified conglomerate and one of the country's largest hotel owners said that its hotels in Klang Valley, namely Hotel Istana Kuala Lumpur and Hilton Petaling Jaya are organizing daily Tarawih prayers at their respective hotels starting from 17 June 2015 to the eve of Syawal 2015.

This is to enable the hotels' Muslim guests especially those who patronize the Sinar Ramadan buffet at the Taman Sari Brasserie, Hotel Istana KL and Hilton PJ's Paya Serai Nostalgic Ramadan buffet to break fast at ease without having to rush and go out far to do their prayers.

The two hotels will set up temporary suraus with separate male and female areas as required by Islam. Both hotels have engaged certified Imams to lead their respective hotel's Isya' and Tarawih prayers congregations daily during the Ramadan month.

Hotel Istana KL has converted the Safir Room adjacent to its Ballroom into a temporary surau which can accommodate a prayer congregation of up to 200 people, while Hilton Petaling Jaya has converted its Serunai 1 Suite on level two of the hotel into a temporary surau that can hold a prayer congregation of about 140 people.
